

MUNCHKINTM BOOTY 2

JUMP THE SHARKTM

DO YE GET AN EXTRA LEVEL?

Ye will notice that each of the four main branches of the U.S. Armed Forces has a bonus against one monster. We ain't forgetting the other branches. If ye are a member or former member of any of the other uniformed services (such as the Coast Guard) or in their reserves, ye start the game with an extra level and our thanks. If ye be pirates from another land, we encourage ye to house-rule the cards to honor yer own servicemen.

GAME SUPPORT

Check out www.worldofmunchkin.com . . . ye never know what we might put up there next. Right now, ye can find Frequently Asked Questions about *Munchkin*, the most recent version of the Epic Rules, a web form to let ye submit yer own card ideas, a free bonus item that gives in-game benefits, and lots more.

And visit the Munchkin Guild on Yahoo! Groups: groups.yahoo.com/group/Munchkin_guild. Ask questions, share stories, get munchkin!

Support yer local game store! Ask them what's new for *Munchkin*. We have an online store at www.warehouse23.com, and since we're munchkins, too, we're always happy to take yer gold pieces . . . but if ye have a game shop near ye, we'd rather ye gave the business to them.
